Whether you're looking to replace your original battery for more range and riding time or looking for a little more power from your electric bike or scooter, we have a battery that fits your needs.

Discover our cutting-edge 96V lithium batteries, designed for superior performance and longevity. Perfect for electric vehicles, renewable energy storage, and advanced power systems.

Get an ultra-reliable 96V lithium iron phosphate battery designed for your large solar, off-grid or EV system. Customize capacity, terminals and enclosure to optimize performance.

96V LiFePO4 Prismatic battery pack shall be cut-off at 121.6V during charging and 80V during discharging. If over discharge to 60V (2.5V/cell), please recharge the pack right away. Otherwise the ...

96V 100/105 Ah LiFePO4 Lithium Battery For UPS/Inverters - Buy Lifepo4 Battery at best price of INR 135000/piece by Eee Energy Private Limited. Also find product list from verified suppliers ...

OEM Battery 20 Years High Voltage LiFePO4 Battery Pack 96V for Storage System, Find Details and Price about Lithium Battery Cell from OEM Battery 20 Years High Voltage LiFePO4 Battery Pack ...

Explore our range of 96V lithium batteries for efficient energy storage. Perfect for golf carts, ebikes, and more. Shop high-quality, reliable solutions now!

With options available in 24V, 36V, 48V, 72V, and 96V configurations, our lithium batteries offer exceptional performance, reliability, and versatility. Whether you need to power an E-bike, E-scooter, ...

When choosing a 96V lithium battery, consider its capacity (measured in ampere-hours, Ah), discharge rate, and dimensions. Higher capacity offers longer usage time, while a higher discharge rate ...

96V Energy Storage Lithium Battery Price List

Our batteries feature robust battery module structures, which provide maximum versatility, and an optional liquid cooling system, which ensures reliable electrical protection and high energy density.
