In your context, the best relates to {something}, whereas best relates to a course of action. Plastic, wood, or metal container? What was the best choice for this purpose? Plastic, ...

I mean here "You are the best at tennis" and "you are best at tennis", "choose the book you like the best or best" both of them can have different meanings but "most" and ...

Either is fine, but (American here) I think "Something that best suits your needs" would be the most common way of saying it.

"Which one is the best" is obviously a question format, so it makes sense that "which one the best is" should be the correct form. This is very good instinct, and you could ...
