Who are Chint solar & Voltis?

Chint Solar and Voltis have joined forces to co-develop a circa 5 GW portfolio of renewable energy and storage projects in the United Kingdom. Chint Solar has started the next phase of construction of the Salteras solar park in Spain. The first solar module was symbolically placed by local stakeholders, together with representatives of Chint Solar.

Who is Chint global?

CHINT is a globally renowned leader in smart energy solutions, offering the most comprehensive product ranges across the whole industrial chain, from Plant to Plug. CHINT Global is a renowned brand that specializes in delivering an array of smart energy solutions to various sectors, including public institutions, industries, and end users.

Where is Chint solar building a solar park in Spain?

Chint Solar has started the next phase of construction of the Salteras solar park in Spain. The first solar module was symbolically placed by local stakeholders, together with representatives of Chint Solar. On July 12, Schnermark solar park in eastern Germany welcomed more than 80 visitors for an Open Day.

Who is China's largest PV plant investor?

In 2006, Chint moved into solar energy, and constructed dozens of large ground grid-connected PV power plants and roof-type distributed PV power plants across the world, and thus became the largest PV plant investor among Chinese private enterprises.

We develop and realize solar parks and renewable energy solutions in Europe for a sustainable future. Discover our projects and solutions.

In 2006, Chint moved into solar energy, and constructed dozens of large ground grid-connected PV power plants and roof-type distributed PV power plants across the world, and thus ...

The CHINT Logo is a symbol of reliability in various sectors, including energy, construction, and industrial applications. With a comprehensive range of products such as circuit breakers, ...

Download the CHINT logo in PNG, SVG, and AI formats. Free HD files in one ZIP -- ready for web, print,

Chint photovoltaic panel logo

CHINT Global is a renowned brand that specializes in delivering an array of smart energy solutions to various sectors, including public institutions, industries, and end users. With a strong ...

CHINT Solar Through our technologies and expertise, we are making deeper integration of solar power into various scenarios. The best way to boost economic benefits out of limited land ...

Product: 1MW PV Power Container, SCA 500/630KTL-H, PV Combiner Box Jiangshan 200MW
Agriculture-Forestry-PV Integrated Project Location : Zhejiang, China Scale : 200MW 4.2 million sq ...

CHINT is a globally renowned leader in smart energy solutions, offering the most comprehensive product ranges across the whole industrial chain, from Plant to Plug.

Founded in 2009, Chint power mainly provides complete photovoltaic inverter and energy storage products and solutions for the renewable energy and power industry. Chint Power focuses on ...

Under the CHINT Group, Astronergy is committed to providing professional and high-quality solar panels products and services to customers worldwide.
