Does ion solar offer a premium solar experience?

ION Solar claims to provide a premium solar experience from sale through installation, and most customer reviews indicate that ION takes this promise seriously. There are, though, some negative reviews highlighting aggressive door-to-door soliciting and some instances of poor communication.

Does ion solar have a good customer experience?

ION Solar has over a decade of experience in the solar industry, and it claims to have helped over 85,000 customers power their homes with solar energy. As of publishing, however, we don't have enough customer reviews on our site to get a sense of the overall customer experience.

How much do ion solar panels cost?

ION doesn't share any information about how much its solar panels cost, and its online quote form doesn't generate a price immediately. However, a residential solar panel system typically costs between \$12,000 and \$30,000 or more as of publishing.

How does ion solar customer service work?

Each ION Solar customer is assigned a dedicated customer service representative to handle any issues that arise throughout the process. Although some customers report less-than-ideal experiences with ION, most say they're satisfied with the quality of ION's customer service.
