The JA Solar JAM54D41-445/LB is a 445W bifacial double glass solar panel with a stylish all black design. The module utilises n-type solar cells, which enhances its performance and helps to achieve ...

The 5.5-hectare agrivoltaic plant in Bruck an der Leitha, Austria, uses "sun catchers" to maximise energy yield and optimise grid stability. The system consists of movable PV modules that track the sun and ...

Unlock superior solar performance with the JA Solar JAM54D41-445/LB 445W bifacial solar module. Built with high-efficiency n-type TOPCon monocrystalline cells, this Deep Blue 4.0 Pro panel offers ...

The JA Solar 445W JAM54D41-445/LB FB is a high-performance solar panel designed for efficient energy generation. Its advanced photovoltaic technology ensures reliable power output and long ...

JA Solar is one of the world's largest manufacturers of photovoltaic modules. Their advanced cell technology ensures high efficiency, stable yields, and long lifespan - suitable for residential rooftops ...

It leverages advanced N-type TOPCon technology across 108 half-cut cells to deliver up to 445 W of peak power and high efficiency in compact form. Its dual-glass design enhances durability against ...

This JA Solar 445W TOPCon Bifacial Solar Panel is suited for projects that demand reliable solar generation paired with cutting-edge efficiency, whether you are designing a grid-tied solar system, a ...

JA Solar 445W Bifacial N-Type TOPCon Solar Panel Elevate your solar energy solutions with the JA Solar JAM54D41-445/LB, a high-performance 445W bifacial solar module engineered with advanced ...

445W Higher power generation n-type with very Lower Better Temperature Better low irradiance

These panels are of excellent quality and look identical to expensive ones made in the USA. They have a 25-year performance guarantee in addition to the 20-year manufacturer's warranty.
