The CX-CI001 lithium battery energy storage cabinet can be customized for on-grid/off-grid operation mode, provides UPS functions, and can be flexibly expanded.

IP54-rated cabinet with active thermal management for harsh weather and temperature extremes. Supports parallel connection for flexible system expansion based on project needs. Integrated BMS, ...

With IP54/IP55 protection, anti-corrosion design, and intelligent temperature control, they are ideal for telecom base stations, remote power supply, and containerized microgrids. Our outdoor cabinets are ...

One LiHub cabinet consists of inverter modules, battery modules, cloud EMS system, fire suppression system, and air-conditioning system. The LiHub is IP54 rated and can be installed both indoors and ...

Our battery system consist of modules integrated with a responsive battery management system (BMS), control box, HVAC, liquid cooling system, fire suppression system and all other protections in an ...

The Cabinet offers flexible installation, built-in safety systems, intelligent control, and efficient operation. It features robust lithium iron phosphate (LiFePO₄) batteries with scalable capacities, supporting on ...

Built with lithium-ion batteries, it offers longer performance and more cycles than VRLA batteries. With a fully loaded cabinet shipped to your location and no onsite wiring needed, it saves on deployment ...

With a focus on efficiency, reliability, and sustainability, our battery pack offers a range of advantages that empower homeowners to harness the potential of renewable energy and optimize their energy ...

Enhance power system stability | Smooth out the intermittent output of renewable energy by storing electricity and dispatching it when needed. Optimizing the use of renewable energy | Maximize the ...

Lithium Battery Energy Storage Cabinet IP54 Solution

Empower your off-grid projects and grid-support applications with a reliable outdoor battery storage cabinet from TOPBAND. Engineered for harsh climates and demanding workloads, our outdoor ...
