# Mali energy storage power station manufacturer

The power station is a joint venture between Akuo Energy, an independent energy producer, based in France, and Pash Global, an energy and infrastructure development company focused on the Global South. Together, they own Akuo Kita Solar, the special purpose vehicle company that owns and operates the power station. The power generated is purchased by the Malian public electric utility company, Electricit#233; du Mali, pursuant to a 30-year power purchase agreement.
