When you become a Solar Grids® franchisee, you'll become a member of a solar expert community. You'll have access to a team of professionals who care about helping you become incredibly successful. Our vast amount of tools and resources gives you everything you need to become a successful solar business owner.

Why choose solar energy for your new business?

How can I become a solar energy business owner?

To become a solar energy business owner with Solar Grids, you don't need any technical degrees, professional licenses, or a solar energy background. All it takes is ambition and determination. Why choose Solar Grids? You will receive a territory population of 500,000, which is larger than what competitors offer (200,000 - 250,000).

Should you start a solar business?

Starting a solar business through Solar Grids offers multiple streams of income and additional cash-flow. Franchisees can earn extra money not only by selling solar or installing systems, but also by referring investors or investing themselves as a Power Partner, receiving passive monthly payments for 25 years.
