Established in 2005 in China, LDK Solar is a leading producer of solar wafers in terms of capacity and a leading high-purity polysilicon and solar module manufacturer.

Founded in 2005 with headquarters in Xinyu City, Jiangxi Province, China, LDK Solar rapidly became one of the world's largest producers of mono- and polycrystalline silicon ...

Our 540W monocrystalline solar panel is designed to perform at its best for years to come, so you can enjoy the benefits of renewable energy with confidence. Don't let space constraints hold ...

LDK Solar is one of the biggest producer of solar wafers that are used by crystalline solar panels. LDK Solar was established in 2005 in China. As a vertically integrated manufacturer and supplier of ...

Find out where our expert and consumer reviews rate LDK among the best manufacturers of residential solar panels in America in 2018 and get pricing from their local dealers.

Learn about LDK Solar solar panels from their performance and warranties to their specific solar panel attributes. Request a quote for our latest deals on LDK Solar panels and products.

Learn about LDK Solar produced solar panels - view company details, technical specifications and reviews of LDK Solar modules.

The LDK Solar LDK-220P-20 photovoltaic panel offers a power of 220W. The maximum current is 7.4A, with a voltage of 29.8V. The panel shows resilience with 8.14A short circuit current and 36.5V open ...

The LDK-245D-20 solar panels are compatible with various solar energy systems, including grid-tied and off-grid setups. Homeowners can also pair these panels with energy storage solutions, such as home ...
