Which solar panel is best?

Maxeon Solar Technologies Maxeon's 440-watt solar panel is our pick for best overall. It's the most efficient panel at 22.8% and comes with the longest warranty (40-year performance and product warranties--15 years longer than the industry standard). Maxeon is the highest-rated solar panel on the EnergySage Marketplace.

What is the difference between a solar panel brand and a company?

Before we dive into the top brands, it's important to understand the difference between a solar panel brand and a solar company: Solar Panel Brand: These are manufacturers that design and produce solar panels (e.g., Maxeon, Canadian Solar, JinkoSolar). Solar Company: These businesses sell, install, and maintain solar systems.

Where can I buy solar panels?

Solar Company: These businesses sell, install, and maintain solar systems. They may offer panels from multiple brands (e.g., ION Solar, Sunrun). While you can't typically buy panels directly from a manufacturer, many brands partner with installers and distributors nationwide to make their products available.

How do I choose a solar panel brand?

It's unusual to choose a specific solar panel brand at the outset. Instead you're likely to encounter different brand options as you get quotes from different installers. Typically, your chosen installer will buy the panels to fit on your home. Some only install solar panels from one brand, while others may install panels from a few brands.
